

EchoServer::EchoServer

```
graph LR; A[EchoServer::EchoServer] --> B[TcpServer::setMessageCallback]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'EchoServer::EchoServer'. The right box is light gray with a black border and contains the text 'TcpServer::setMessageCallback'. A dark blue arrow points from the right side of the left box to the left side of the right box.

TcpServer::setMessageCallback
