

EventLoopThread::startLoop

```
graph LR; A[EventLoopThread::startLoop] --> B[Thread::start]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'EventLoopThread::startLoop'. The right box is white with a black border and contains the text 'Thread::start'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

Thread::start
