

addTime

```
graph LR; A[addTime] --> B[Timestamp::microSecondsSince Epoch];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'addTime'. A dark blue arrow points from the right side of this box to the left side of a larger, white box on the right. This right box contains the text 'Timestamp::microSecondsSince Epoch' on two lines.
